

FRONT YARD

- Means the yard between the front lotline and the nearest wall of the building

REAR YARD

- For the purpose of this By-law, means the remainder of the lot

CORNER LOTS

For a corner lot the front yard is on the shortest lot line facing a street regardless of which street the front door of the building faces.

Where both lot lines facing a street are equal, the front yard is where the front door of the building faces.

MAX. 0.75m (30") HIGHER THAN CENTER OF ROAD IN THIS AREA

91m (296")
