Application for use of Summer Ice Time at Municipal Arenas

Dear Applicant

Thank you for helping us create recreational opportunities for the residents of Niagara Falls. Once all applicants have been received by a specific date, Recreation and Culture staff will issue a contract for facility use. This document is presented to applicants and discussed at the annual Summer Ice meeting held the first week in May. All applicants are invited to attend the meeting. Here the draft schedule is reviewed and amended as necessary. The revised draft will then be forwarded to City Council for final approval. Once approved the Recreation & Culture staff will issue permits to individuals or organizations commencing the first week in June. Please note that any documentation submitted to the municipality is subject to the municipal freedom of information and protection of privacy act.
