Personal information contained in this form is collected under the authority of subsection 8(1.1) of the *Building Code Act, 1992*, and will be used in the administration and enforcement of the *Building Code Act, 1992*. Questions about the collection of personal information may be addressed to the Chief Building Official of the City of Niagara Falls.

Completing this Form

Required Supplemental Information

In addition to the submission of this completed form the submission must also include a drawing of the site on which the swimming pool is to be installed. The drawings shall include all dimensions for the size of the lot, dimensions to the shape and location of the pool and its related equipment from property lines and buildings, the location and width of any easements on the property, and any other feature or encumbrance which could affect or be affected by the proposed swimming pool installation. **The drawings shall be submitted in duplicate.**

Building Permit

If the use of the swimming pool is solely for the use of the public, the installation of the swimming pool requires a building permit. A swimming pool permit is not required provided a building permit is obtained.

Hydro

The required drawing shall include the location of all overhead hydro wires on or adjacent to the property on which the swimming pool is to be installed. Minimum setbacks from the hydro lines are applicable and Niagara Peninsula Energy or Ontario Hydro may be required to provide approval where these required setbacks are imposed upon.

Lot Grading Plan

Where the application being made is for the installation of an in ground outdoor swimming pool, in addition to the items identified above, the application shall be accompanied by a Lot Grading Plan bearing the signature and seal of a practicing Engineer, Landscape Architect, Architect or Ontario Land Surveyor, who certifies thereon that the drainage scheme depicted by the plan is designed to ensure that water will not accumulate at or near the building and will not adversely affect adjacent properties.

Other Approvals

Where the installation of a swimming pool requires approvals from the Regional Municipality of Niagara, Ministry of Transportation, Niagara Escarpment Commission, or Niagara Peninsula Conservation Authority these approvals shall be submitted with this application in order to constitute a complete application.
