PART II LICENCES

- 2. Every person who carries on, conducts, operates, maintains or keeps any of the trades, businesses, occupations, callings, objects, amusements, vehicles, places or premises set forth in any part of this By-law shall procure and maintain a licence from the Municipality in accordance with this By-law.
- 3. No person shall carry on or engage in any trade, calling, business or occupation listed in Section 2 within the boundaries of the Municipality unless he or she has a valid licence permitting him or her to do so.
- 4. (1) On an application for a licence, or the renewal thereof, the applicant shall provide to the Clerk:
 - (a) a completed application form(s);
 - (b) such information as Council may direct;
 - (c) the fee(s) for licences prescribed by Schedule 1 of this By-law;

- (2) where any premises are to be used for a purpose requiring authorization by licence, the application shall include a sufficient description of such premises, or of the part to be authorized to be so used, and a separate application shall be made with respect to each separate premises to be so used.
 - (3) where a motor vehicle is to be used for a purpose requiring authorization by licence, the application shall include a sufficient description of such vehicle, including the name of the manufacturer, the model and the serial number.
5. All first-time licence applications require, in addition to the fee(s) for licences prescribed by Schedule 1 of this By-law, a \$25.00 processing fee for administration purposes. This processing fee is due and payable at the time the application for a license is made, and is not refundable, notwithstanding that the application for a licence maybe withdrawn or refused for any reason.
6. Should an application for a licence be withdrawn or refused for any reason, only the licence fee is refundable.
7. No licence of any class issued under this By-law may be transferred to any other person.
8. The requirement of obtaining a licence under this By-law is in addition to, and not in substitution for, any other requirement to obtain a licence or licences or other regulatory approval under any other federal, provincial or municipal regulation.
9. No person licensed under this By-law shall, because of race, colour or creed discriminate against any member of the public in the carrying on, conducting, operating, maintaining or keeping of such trade, business, occupation, calling, object, amusement, vehicle, place or premises in respect of which the licence is issued.
10. All licences granted under this By-law, unless they are expressed to be granted for a shorter period or they are revoked or suspended sooner, shall be for the current year of issuing, and shall expire on the dates listed in Schedule 1 to this By-law.
11. Where two or more persons carry on or engage in a partnership requiring a licence under this By-law, the licence will be issued in the name of each partner, and the name and address of each member of the partnership shall be set out in the application.
12. Where a corporation requires a licence under this By-law, the corporation shall provide:
 - (a) a copy of the most recent corporate filing with the Ministry of Consumer and Commercial Relations listing all directors and officers and the address of the head office of the corporation;
 - (b) a resolution of the directors of the corporation authorizing the application for a licence;

- (c) the name and address of every person having responsibility for the management or operation of the business, and the licence shall be issued to the corporation.
13. Every Licensee who changes his or her address shall, within four (4) days after such change, attend at the office of the Clerk and notify the Clerk of such change of address and produce his or her licence for the change to be entered thereon.
14. It shall be a condition of every licence that the Licensee shall, in carrying on the business:
- (a) comply with the provisions of this By-law and ensure such compliance by every other person involved in the carrying on of such business; and
 - (b) comply with the provisions of Zoning By-law No. 79-200, and any amendments thereto.

PART III ISSUANCE, RENEWAL OR REFUSAL OF LICENCES

15. Upon receipt of an application for a licence required by this By-law, the Clerk shall:
- (a) make or cause to be made all investigations which are required;
 - (b) determine whether or not any applicant has been convicted of an offence relating to this or any other by-law; and
 - (c) where a report is required from the Medical Officer of Health, Building Inspector, Chief of Police, Fire Inspector, Hydro Inspector, or any department of the Municipality, cause such report to be obtained.
16. Upon completion of the investigations and searches set out above, the Clerk shall issue or renew a licence provided that:
- (a) the provisions of the particular licence applied for have been complied with;
 - (b) the applicant has not been convicted of an offence under this or any other by-law relating to licenses;
 - (c) no adverse comment is received from any of the agencies to which the application was circulated; and
 - (d) each applicant is eighteen (18) years of age or older.
17. (1) In the event that the Clerk does not issue the licence, the Clerk shall notify the applicant of the Clerk's decision by sending the applicant a Notice of Refusal by ordinary mail at the address noted in the application.

- (2) The Clerk, in delivering any notice under subsection (1), shall give reasons for the decision.

18. Where,

- (a) the reason(s) for refusal of the licence does not deal with non-compliance with the Municipality's Zoning By-law; and
- (b) the applicant has returned the Notice of Refusal to the Clerk indicating a desire to have the matter heard before Council,

then prior to Council exercising its powers under this section, the applicant shall be given a notice of hearing, and the applicant shall be entitled to attend the hearing and adduce evidence and make submissions either personally or through a representative, in accordance with law, including the procedures of Council.

19. (1) The Council shall, in accordance with applicable law, hear the matter and shall:

- (a) grant the licence to the applicant;
- (b) refuse to grant the licence to the applicant; or
- (c) grant the licence and impose conditions on the licence at the time it is granted, including a restriction on the hours of operation,

and Council's decision shall be final.

- (2) The Council shall give its reasons, in writing, for any decision made under paragraphs (1)(b) or 1(c).
- (3) Council may notify the Alcohol and Gaming Commission of Ontario, or any other licensing authority or person, as it considers appropriate, if any action is taken under this section of the By-law.

20. No person shall enjoy a vested right in the continuance of a licence, and upon the issue, renewal, cancellation or suspension thereof, the value of a licence shall be the property of the Municipality.

21. No person licensed to carry on business under this By-law shall advertise or promote or carry on such business under any name other than the name endorsed upon the licence.

PART IV PRODUCTION AND POSTING OF LICENCE

22. The Clerk shall on behalf of Council issue all licences required by this By-law and his name shall be printed or mechanically reproduced upon each licence issued, which shall be in such form as Council may from time to time designate.
23. Every person licensed under this By-law shall produce the licence whenever it may be demanded by the Chief of Police, Clerk, Municipal Law Enforcement Officer, police officer, Justice of the Peace, or other person duly authorized to demand its production.
24. Every person who obtains a licence which pertains to the occupation of that person, shall carry the licence while engaged in the occupation for which the licence is issued.
25. Every person who obtains a licence which pertains to a certain premises, shall post the licence in a conspicuous place on the premises where the business is carried on, and such licence shall remain posted during the time it is in force.

PART V INSPECTIONS

26. (1) Any person duly authorized by the Municipality may, at all reasonable times, inspect,
 - (a) any vehicle;
 - (b) as much of any house, place or premises as is used for the carrying on, conducting, operating, maintaining or keeping of any trade, business, occupation, calling, object or amusement in respect of which any person has or is required to have a licence under this By-law; and
 - (c) any goods, articles, books, records and other documents of or relating to any such trade, business, occupation, calling, object or amusement.
- (2) No person who has or is required to have a licence under this By-law shall obstruct or hinder the inspection or cause or permit the inspection to be obstructed or hindered.

PART VI POWER TO SUSPEND, REVOKE OR IMPOSE CONDITIONS

27. Council may, at any time, in accordance with the provisions of the Municipal Act,
 - (a) suspend any licence;
 - (b) revoke any licence; or
 - (c) impose conditions on any licence issued pursuant to this By-law.

The Council shall issue written reasons for its exercise of a power under this section.

28. Prior to Council exercising its powers under Section 27 above, the Licensee shall be given a notice of hearing, and the Licensee shall be entitled to attend the hearing and adduce evidence and make submissions either personally or through a representative, in accordance with law, including the procedures of Council.
29. (1) The Council shall, in accordance with applicable law, hear the matter and shall:
 - (a) confirm the decision represented by the notice; or
 - (b) allow the application to proceed, or grant the licence, as the case may be, and the Council's decision shall be final.
- (2) Council shall give its reasons, in writing, for any decision made under paragraph (1)(a).
30. The following are the grounds upon which a licence may be refused, revoked or suspended; upon which an application may be refused or not proceeded with; or in respect of which the Council may impose conditions, including special conditions, as a requirement to the issuing or holding of a licence:
 - (a) that the applicant, Licensee, any partner, officer or director of the applicant or Licensee, any employee or agent of the applicant or Licensee, has not complied with or satisfied any requirement of this By-law;
 - (b) the conduct of the applicant, Licensee, any partner, officer or director of the applicant or Licensee, any employee or agent of the applicant or Licensee, affords reasonable grounds for belief that they, or any of them, have not or will not carry on the trade, calling, business or occupation in accordance with the law or with honesty and integrity;
 - (c) the Licensee breaches any condition of the licence;
 - (d) that the Licensee has been convicted of contravening any provision or provisions of this By-law within the previous twelve (12) months; or
 - (e) the furnishing of any false, misleading or incomplete information to the Clerk, or the failure to provide all information and documents required to be provided to the Clerk under this By-law, including any changes to such information or documents within four (4) days of their occurrence.
31. Council may notify the Alcohol and Gaming Commission of Ontario or any other licensing authority or person, as it considers appropriate, if any action is taken under Section 27 of this By-law.
32. If a licence is revoked under Section 27 of this By-law, the former Licensee is entitled to a refund of that part of the licence fee proportionate to the unexpired part of the term for which it is granted.

PART VII GENERAL PROVISIONS

33. Wherever any time is referred to in this By-law, it shall be considered to be Eastern Standard Time, and where "Daylight Saving Time" has been generally adopted in the Municipality for any period of the year under any Statute, Order-in-Council, or By-law, time shall be deemed to be Daylight Saving Time for such period in any reference to time in this By-law.
34. The Clerk shall keep a Licence Register in which shall be recorded the full name and address of each Licensee, the address of the place or premises licensed, the make, model, year and provincial licence number of each vehicle licensed, the licence number, date of issue and the type of licence.
35. The Clerk shall mark or stamp the word "Renewal" on each application for renewal of a licence.
36. In the event that a licence issued under this By-law is lost or destroyed, the Clerk shall, upon production of satisfactory proof of such loss or destruction, and upon payment of the sum of \$10.00 per licence, issue a duplicate of the original licence upon which there shall be stamped or marked the word "Duplicate" and a corresponding entry shall be made in the Licence Register.
37. (1) Notwithstanding any of the provisions of this By-law which require a licence and prohibit any performance, exhibition, show or amusement without a licence, no licence fee need be paid for a temporary and occasional performance for a religious, charitable, philanthropic or patriotic purpose, provided:
 - (a) the organization holding such performance has satisfied the Mayor of the Municipality that the performance, exhibition, show or amusement is of a temporary and occasional nature for a religious, charitable, philanthropic or patriotic purpose ; and
 - (b) the organization has furnished the Municipality with a certified copy of a policy of insurance, upon terms and conditions satisfactory to the Municipality protecting and indemnifying the organization and the Municipality against any claims for damage, for bodily injury to persons or property or for the loss of life occurring in or about the premises used by the organization.
- (2) Upon having satisfied both paragraphs (a) and (b) above, the Mayor of the Municipality may issue a letter to the Clerk confirming such satisfaction.
38. Every person licensed under this By-law, in addition to any other requirements expressed elsewhere in this By-law, shall:
 - (a) at all times maintain and keep clean, safe, in good condition and repair any object, amusement, vehicle, place or premises for which a licence has been issued under this By-law;

- (b) not cause, suffer, or permit nuisance to arise in connection with the object, amusement, vehicle, place or premises for which licence was issued;
- (c) not cause, suffer or permit shouting, noise or other disturbance on, in or in connection with the object, amusement, vehicle, place or premises for which a licence was issued which is unnecessary, unreasonable or contrary to any By-law prohibiting same, and if any such shouting, noise, or other disturbance shall occur, the Licensee shall at once take steps to cause the same to be abated forthwith;
- (d) not cause, suffer or permit an obstruction on any highway, sidewalk, lane or public place in front of or adjoining the place or premises for which a licence was issued;
- (e) not cause, suffer or permit profane, offensive or abusive language or disorderly conduct, in connection with any vehicle, place or premises for which the licence was issued; or
- (f) not cause, suffer or permit a breach of any by-law of the Municipality or of any statute, order-in-council or regulation of the Legislature of the Province of Ontario, or of the Parliament of Canada, upon or in connection with the object, amusement, vehicle, place or premises for which the licence was issued.

39. In this By-law, unless the context otherwise requires, words importing the singular number shall include the plural and words importing the masculine gender shall include the feminine.

PART VIII OFFENCES AND PENALTIES

40. (1) Every person who contravenes this By-law, and every director or officer of a corporation who concurs in such contravention by the corporation, is guilty of an offence and on conviction is liable to a fine of not more than \$25,000.00, or to imprisonment for a term not exceeding one year, or to both pursuant to subsection 329(1) of the Municipal Act, R.S.O. 1990, c. M.45, as may be amended from time to time.
- (2) Where a Corporation is convicted of an offence to this By-law, the maximum fine that may be imposed on the Corporation is \$50,000.00 pursuant to subsection 329(2) of the Municipal Act, R.S.O. 1990, c. M.45, as may be amended from time to time.
41. No person shall furnish a false or intentionally misleading recital of a fact, statement or representation in any application under this By-law.

PART IX NOTICE

42. Any notice required by this By-law to be given to an applicant or to a Licensee may be given,
- (a) by mailing a copy of the Notice by pre-paid ordinary post to the residence address of the applicant or Licensee, as the case may be, listed on the most recent application for a licence;
 - (b) by delivering a copy of the Notice personally to the applicant or the Licensee;
 - (c) by leaving a copy of the Notice at the residence address of the applicant or the Licensee as listed on the most recent application for a licence; or
 - (d) by leaving a copy of the Notice at the address of the applicant's proposed employer or at the Licensee's employer listed on the most recent application for a licence.
43. Any notice served by pre-paid ordinary post in accordance with section 42 shall be deemed to have been received by the applicant or Licensee on the fourth day following mailing.

PART X CONFLICTS

44. In the event of any conflict between the provisions of this By-law and any other general or special by-law, the provisions of this By-law shall prevail.

PART XI SEVERABILITY

45. If a Court of competent jurisdiction should declare any section of this By-law or part thereof, or any provision in the Schedules to be invalid, such section, part or provision in the Schedules shall not be construed as having influenced Council to pass the remainder of the By-law or the Schedules hereto, and it is hereby declared that the impugned section or provision in the Schedules shall be severable and distinct from the remainder of this By-law and the remainder of the By-law or Schedules shall be valid and shall remain in force.

PART XII EFFECTIVE DATE AND TRANSITION

46. (1) By-law No. 76-102, as amended, is repealed.
- (2) This By-law shall come into effect immediately upon the repeal of the said By-law No. 76-102, as amended, so that there shall be a continuity of licensing jurisdiction over matters covered by both laws.
- (3) The provisions of this By-law shall be deemed to be substituted, by re-enactment, amendment and revision, for the relevant provisions of repealed By-law No. 76-102, as amended.

CITY OF NIAGARA FALLS

By-law No. 2007 - 13

A by-Law to continue and re-enact By-law 2001-31 of the Corporation of the City of Niagara Falls.

WHEREAS under the *Municipal Act, 2001* licensing by-laws had an expiry date of five years; and

Schedule 2 to By-law No. 2001-31

Authority: Municipal Act, R.S.O. 1990, c. M.45, as amended

1. Every person who keeps, maintains or exhibits for gain or profit any of the following:
 - (1) miniature golf course or golf driving range;
 - (2) water slide;
 - (3) video arcade;
 - (4) merry-go-round, go-carts, switchback railway, carousel, bungee jumping, amusement rides or other like amusement device(s);
 - (5) acrobatic or gymnastic performance or exhibition of circus riding, rope or wire walking, dancing, tumbling, sparring, boxing, wrestling, sleight of hand, legerdemain, juggling or otherwise;
 - (6) circus;
 - (7) ice or roller skating rink;
 - (8) shooting gallery or booth where objects are thrown at targets for prizes; or
 - (9) a place of amusement not otherwise specified in this By-law;

shall obtain a licence and pay an annual licence fee in accordance with Schedule 1 to this By-law, and the provisions contained in this Schedule shall apply to those places, provided that the amusement is not that of a travelling show or performance held in a licensed theatre or public hall, and is not provided for elsewhere in this By-law.

2. Every Licensee to whom this Schedule relates shall keep good order in or at any building or premises in respect to which a licence has been issued, including the maintenance of queues for the purpose of gaining entrance to the amusement and, at his own expense, shall keep a sufficient staff of employees or servants for that purpose.
3. Every Licensee to whom this Schedule relates shall, upon being ordered to by the Municipality, cease to publish, display or circulate any poster, handbill, card, novelty, notice, newspaper advertisement or other matter used to advertise his business or any show or other performance, and shall forthwith obliterate, withdraw, remove or destroy any such poster, handbill, card, novelty, notice, advertisement or other matter.
4. Every Licensee to whom this Schedule relates shall, for each amusement for which he holds a

licence, procure a policy of insurance endorsed to the effect that the Municipality will be given at least 30 days notice in writing of any cancellation, expiry or variation in the amount of the policy, insuring in at least the following amounts, and deposit a certified copy or current Certificate of Insurance thereof with the Clerk:

- (a) In the case of bodily injury or death, to a limit of at least \$1,000,000.00 for any one accident (exclusive of interest and costs) against all claims for personal injury, including injury resulting in death and property damage, with an inclusive limit of not less than \$1,000,000.00.
5. Every building or premise licensable under this Schedule shall maintain proper exit widths and fire extinguishers in accordance with the requirements contained in the Ontario Building Code and the Ontario Fire Code, or as are required by the Fire Chief.
6. Every person operating any merry-go-round, switchback railway, carousel, amusement rides or other like amusement devices shall submit with their application for licence an Amusement Device Licence issued from the Ministry of Consumer and Commercial Relations Technical Standards Division, and shall submit a Renewal Permit therefor annually.
7. No licence shall be issued under this Schedule until all requirements of the Fire Chief relating to the fire safety of the premises in which the business is to be located have been met.
8. No licence shall be issued under this Schedule until the Medical Officer of Health has inspected the premises and the premises are found to be in compliance with the Health Protection and Promotion Act, R.S.O. 1990, c. H.7, or successor legislation.

AUCTIONEERS

Schedule 3 to By-law No. 2001-31

Authority: Municipal Act, R.S.O. 1990, c. M.45, as amended

1. In this Schedule
 - (1) "auction" means a public sale to persons in which bids on goods, articles, merchandise, affects, etc. are received by an auctioneer, and where each bid offers more than the last previous bid, the article being put up being sold to the highest bidder, but shall not include a "mock auction", "silent auction" or "Chinese auction", as those terms are defined herein;
 - (2) "mock auction" means an imitated sale by auction of goods, articles, merchandise, effects, etc. to persons;
 - (3) "silent auction" means an auction conducted by means of written bids given on displayed goods, wares or merchandise with the final declaration of sale being made to the last individual having submitted a bid on the specified bid sheet for that item;
 - (6) "Chinese auction" means an auction conducted by means of predetermining a set price on an item, thence receiving verbal bids on such an item. The final declaration of sale shall be made to the highest bidder who shall then pay the price, based on the difference between the predetermined price and the highest bid; and
 - (7) any person selling or putting up for sale goods, wares, merchandise or effects by public auction, shall be deemed an "auctioneer" within the meaning of this Schedule, and shall obtain a licence and pay an annual licence fee in accordance with Schedule 1 to this By-law.
2. Every person who exercises the calling or business of an auctioneer, shall at the place of each auction, prominently display his name and business address and shall, in all public advertisements of any nature used by him in the course of his business, include his name and business address in such advertisement.
3. Every auctioneer shall keep proper books of account of the business transacted by him as an auctioneer, which books shall give the names and addresses of the owners of the goods, wares or merchandise to be sold, the description of same, the price for which same may be sold, and the names and addresses of the persons purchasing such goods, wares or merchandise, or any portion thereof, account for the proceeds and pay same to the person or persons entitled to such proceeds, less his proper and legal commissions and charges, and he shall, in the case where no sale is made of such goods, on payment of his proper costs and charges, return such goods to the person or persons entitled to receive same on proper demand being made therefore. Provided that nothing contained in this Section or Schedule shall in any way affect or invalidate the claim of any auctioneer for goods warehoused with him, and on which he shall have made advances.

4. No auctioneer shall:

- (1) permit any disorder in his auction room or offices;
- (2) conduct or permit to be conducted any mock auction;
- (3) knowingly make or permit to be made any misrepresentation as to the nature, content, quantity or value of any goods, wares, merchandise or effects which may be offered for sale by him;
- (4) give away articles or sell them for nominal amounts for the purpose of stimulating bidding;
- (5) do any act that is calculated to or which may reasonably have the effect of confusing a purchaser as to the amount he pays for any article or articles;
- (6) avail himself of the service of, or act in concert with, persons known in the trade as "beaters", "boosters", or "shills" for the purpose of raising or stimulating bids; or
- (7) sell or put up for sale by auction any goods, wares, merchandise or effects on a reserve-bid basis without first having announced clearly to those in attendance at the auction the fact of such reserve bid.

5. The provisions of this Schedule shall not apply to a Sheriff or Bailiff offering for sale goods or chattels seized under an execution or distrained for rent.

BAKE SHOPS

Schedule 4 to By-law No. 2001-31

Authority: Municipal Act, R.S.O. 1990, c. M.45, as amended

1. In this Schedule, "bake shop" means any building, premises, workshop, room or place in which bread and/or baked goods intended for human consumption are made for sale or are sold.
2. Every person who owns or operates a bake shop shall obtain a licence and pay an annual licence fee in accordance with Schedule 1 to this By-law, and the provisions in this Schedule shall apply to the operation of the said bake shop.
3. The Medical Officer of Health, or his designate(s), are hereby appointed as inspectors for the purpose of enforcing the provisions of this Schedule.
4. No licence to which this Schedule relates shall be issued until the Medical Officer of Health has given a certificate that all regulations and conditions under this Schedule have been or are being fully complied with, which certificate shall be filed with the application for a licence.
5. An inspector or a Municipal Law Enforcement Officer may examine and inspect, at any reasonable time, the premises, vehicles, public places or shops in which baked goods are manufactured, transported, delivered to or from or offered for sale to ensure compliance with this Schedule.
6. Where the Medical Officer of Health finds that any condition exists in any bake shop that is or may become dangerous to health or which may hinder in any manner the prevention, mitigation or suppression of disease, the Medical Officer of Health may order the bake shop to be closed and remain closed until the condition has been rectified, and upon receipt of such an order the Licensee shall forthwith close the bake shop.
7. Where a bake shop has been closed upon the order of the Medical Officer of Health, the Municipality may, upon notice from the Medical Officer of Health, revoke the licence of the bake shop.
8. Every building or premise used as a bake shop shall be provided with fire extinguishers as required by the Fire Chief.

 - (c) be identified by a number and the boundaries be defined by suitable markings;

- (d) be within 500 feet (152.4m) of a service building. This clause shall not apply to camping lots used by recreational vehicles making direct connection to sewer, water and electrical power services provided on the lot;
- (e) shall be located at least 200 feet (61m) from a residential zone boundary or any existing residential lot boundary.
- (f) Notwithstanding clause 3(2)(e) of Schedule 10 of By-law No. 2001-31, a camping lot located lawfully under this By-law No. 2001-31 shall not be rendered unlawful by the subsequent introduction of a residential zone or residential lot boundary within 200 feet (61 m) of the camping lot so located.

Notwithstanding the requirements of this Section, the dimensional requirements shall not be applicable to driveways and entrances or camping lots which existed at the date of the passing of this by-law. In addition, clause 2(a) shall not apply to lots which existed prior to the passing of this by-law;

- (3) All driveways and roads within a camping establishment shall provide unobstructed access at all times when in use, and shall be constructed and maintained with at least a 6" (15cm) stone base over the entire width on the roadway as determined in Clause 2 (a) of this Section and shall be maintained in a dust free condition.
- (4) Each camping establishment shall provide, in a service building or buildings, flush type toilet fixtures and other sanitary facilities in accordance with the following table and standards:
 - (a) toilet fixtures and wash basins, at least one of which is handicap accessible in each category must be provided to the amount noted below. (Handicap accessible shall apply to newly constructed campgrounds or renovations to existing campgrounds.) This clause shall not apply to camping lots used by recreational vehicles making direct connection to sewer, water and electrical power services provided on the lot;

No. of Camping Lots	Female	Male	Male/Female	
	Flush Toilets	Urinals	Flush Toilets	Wash Basins
1 - 9	1	1	2	3
10 - 17	2	1	2	5
18 - 25	2	1	3	6
26 - 35	3	1	4	7
36 - 45	3	1	5	8
46 - 55	4	2	5	8
56 - 65	5	2	6	9
66 - 75	5	3	7	10
76 - 85	5	3	8	11
86 - 100	6	4	8	12

For establishments having more than 100 camping lots, additional facilities will be provided for each additional lot over 100 according to the ratios expressed in the above table. The figures shown above for toilet fixtures and wash basins are total requirements. They shall be divided equally as nearly as possible between men's washrooms and women's washrooms.

- (b) shower bath: a minimum of one separate shower bath, which is handicap accessible, for each sex is to be provided. In addition to the foregoing, shower baths shall be provided at the ratio of one shower bath for each sex for each unit of 20 camping lots or fraction thereof. This clause shall not apply to camping lots used by recreational vehicles making direct connection to sewer, water and electrical power services provided on the lot;
 - (c) laundry units: provide one laundry unit for each unit of 35 camping lots or fraction thereof;
 - (d) dump-station: provide one dump-station for each unit of 100 camping lots or fraction thereof. This clause shall not apply to camping lots used by recreational vehicles making direct connection to sewer and water services provided on the lot.
- (5) Service buildings shall:
- (a) have masonry exterior walls of brick, concrete block or stone and interior partition walls of sound-resistant masonry materials. The interior walls shall have a ceramic tile facing, or equivalent, for easy cleaning. Floors shall be of concrete, quarry or clay tile construction and adequately sloped to floor drains. All materials and methods of construction must be approved by the Building Inspector;
 - (b) have sound resistant walls separating male and female toilet facilities;
 - (c) include separate compartments for each bathtub, shower or toilet fixture;
 - (d) be located 25 feet (7.6m) or more from any camping lot;
 - (e) have heating facilities adequate to maintain a minimum indoor air temperature of 68 degrees F. (20 degrees C) and to supply adequate hot water during time of peak operations;
 - (f) have all rooms well ventilated, with all openings effectively screened;
 - (g) be adequately lighted and maintained in a clean and sanitary condition.

- (6) For the purposes of this By-law the standards and requirements of the Ontario Building Code (as revised from time to time) shall apply to all buildings and structures erected or located on any camping establishment.
- (7) Every camping establishment shall adhere to the following regulations pertaining to refuse disposal:
 - (a) all refuse shall be stored in flytight, watertight, rodent proof refuse containers which are of sufficient capacity to properly store all refuse;
 - (b) all refuse shall be collected daily. Where suitable collection service is not available, from municipal or private agencies, the camping establishment operator shall provide this service. All refuse shall be collected and transported in covered vehicles or covered containers.
- (8) Every camping establishment operator shall:
 - (a) not permit the removal of the running gear from a recreational vehicle, or the jacking or blocking up of a recreational vehicle so that the recreational vehicle does not rest on its own running gear other than as may be required temporarily for repairs to the running gear;

COMMERCIAL PARKING LOTS

Schedule 11 to By-law No. 2001-31

Authority: Municipal Act, R.S.O. 1990, c. M.45, as amended

1. In this Schedule:
 - (1) "commercial parking lot" means a privately owned parcel of land, building or structure in which space is hired for gain or profit for the purpose of storing or parking a vehicle but does not include a parking area required under the provisions of section 4.19.1 of the By-law 79-200, being the Zoning By-Law and any amendments thereto.
 - (2) "Director of Municipal Works" means the Director of Municipal Works of the Municipality or a person designated to act on his behalf.
 - (3) "operator" means a person who, alone or with others, carries on, conducts, operates, maintains, controls, or keeps the business of a commercial parking lot, and "operate", "operations", and other words of like import or intent shall be given a corresponding meaning.
2. Every person who operates a commercial parking lot within the Municipality shall first apply for and obtain an annual licence to do so for each such commercial parking lot.
3. Nothing in this Schedule shall relieve or exempt any person from the obligation to comply with the requirements of any other by-law of the Municipality in force from time to time or from the obligation to obtain any licence, permit, authority or approval required under any other by-law of the Municipality.
4. Every person so licensed shall be subject to the provisions of this Schedule.
5. An application for a commercial parking lot licence shall be made in writing, filed with the Clerk, and:
 - (1) shall show the applicant's name and postal address, the name and address of the commercial parking lot or proposed commercial parking lot, and a full legal description of the premises used or proposed to be used, together with sufficient particulars of arrangements for carrying on the business, together with six true copies;
 - (2) save where a similar licence was in force for the previous year with respect to the same premises and there is no change in the relevant information, the application shall be accompanied by a satisfactory site plan signed by the applicant, with six true copies. The plan shall be drawn to a scale of 1:200 (metric scale) where the area of the site is 2300 square metres or less, and otherwise to a scale of 1:500 (metric scale). The plan shall be substantially in accordance with the form of a site plan and showing:

- (a) location of the premises, position of adjacent street lines, sidewalks, boulevards, fire hydrants, poles and driveways, and the position and type of use of adjacent buildings, structures and premises, all according to scale and including an indication of the north point;
 - (b) the drainage system and type and specifications of surfacing of all outdoor areas to which motor vehicles will have access, together with complete grade levels and the location and dimensions of all catch basins and other drainage facilities, the location and dimensions of all islands, barriers, signs, poles, lighting, trees, buildings, structures and things above the level of the paving and all access driveways, manoeuvring space and parking spaces, entrances, exits and ramps;
 - (c) in the case of any building or structure, the location of the vehicular and pedestrian entrances and exits, the entrance and exit driveways, the location and grade of ramps within the premises giving access to or from the ground level, the location and size of receiving and exit areas, and where parking tickets are to be issued, the location and nature of ticket-issuing points; and,
 - (d) landscaping where such is required by the Zoning By-law, and any amendments thereto, including any requirements set forth through site plan control;
- (3) save where a similar licence was in force for the previous year with respect to the same premises and there is no change in the relevant information, the application shall be accompanied by complete plans and specifications, including the plans and specifications of the construction of all signs and their supporting framework, signed by the applicant, with six true copies.

6. Every person operating a commercial parking lot shall:

- (1) submit to the Clerk, prior to the issuance or renewal of a licence under this Schedule, proof of a policy of comprehensive public liability insurance on an occurrence basis against claims for personal or bodily injury, death, property damage, or other claim, in the amount of at least \$2,000,000.00, exclusive of interest and all costs, in respect of any one occurrence.
- (2) give at least 30 days notice in writing to the Clerk of any cancellation, expiry or variation in the amount of the policy set out in subsection 6(a) above.

7. Every commercial parking lot shall be so designed, constructed and equipped as to be suitable in all respects for the purposes for which it is used or intended to be used, and, without restricting the generality of the foregoing:

- (1) all outside areas to which motor vehicles will have access shall be suitably surfaced with:
 - (a) hot-mix asphalt on granular base; or

- (b) asphalt penetration top on granular base; or
 - (c) concrete; or
 - (d) crushed stone or slag suitably treated so as to make it dust-free, and to prevent it from spilling or spreading into any street or other adjoining land; or,
 - (e) other suitable material, as determined by the Director of Municipal Works.
- (2) save as may be otherwise lawfully authorized by a licence to use part of a property, all parking spaces and outside areas accessible to vehicles, except exits and entrances, shall be provided with curbing, placed at least three metres from adjacent properties, so designed, constructed, located and otherwise suitable as to prevent any part of a motor vehicle from projecting over any part of a street, public lane or other public place, or within eight centimetres of the boundary of any other adjoining land. The curbing must meet, or exceed Ontario Provincial Standards (O.P.S.) specifications, or be deemed suitable by the Director of Municipal Works;
- (3) parking facilities meet the requirements of By-Law, No. 94-262 being the Disabled Parking By-law, and any amendments thereto;
- (4) there shall be displayed in a conspicuous place, where it may readily be seen by every driver of a motor vehicle about to enter the premises, a suitable sign no nearer to the ground than one and a half metres, and not farther from the ground than three and a half metres, bearing in clear and legible letters and figures no less than ten and no more than thirty centimetres high, the name of the operator, the days and hours of operation, and rates for the parking of motor vehicles and the licence number of the licence issued by the Clerk for the operation of the subject commercial parking lot;
- (5) all signs posted by, or on behalf of the commercial parking lot are in conformity with By-law No. 6661, 1964, being the Sign By-law, and any amendments thereto, including obtaining any permits required by the Sign By-Law;
- (6) the commercial parking lot shall be sufficiently illuminated so that an average level of lighting be maintained between 1.0 and 2.0 lumen.
- (7) lighting fixtures are of a type and are arranged as to cause no nuisance or distraction to passing traffic or to adjoining properties;
- (8) garbage receptacles, properly constructed of steel, or another suitable material, as determined by the Director of Municipal Works and be placed at central locations, in the numbers prescribed by the following table:

Capacity of Parked Vehicles	Receptacles Required
1 to 50	1
each additional 50 vehicles	+1

8. The operator of every commercial parking lot shall ensure:
- (1) that all signs and required facilities are maintained in conformity with all applicable provisions hereinbefore set forth;
 - (2) that every entrance, exit, and access aisle is kept unobstructed for its full length and width, and that all entry, parking and discharge of vehicles is conducted only as indicated on the plans submitted with the application for licence or as subsequently authorized, provided that this subsection shall not be deemed to prohibit a suitable ticket office or automatic control device which does not contribute to congestion or unreasonably obstruct any means of ingress or egress;
 - (3) that if the operator engages in driving, operating ,or moving motor vehicles parked or stored at or upon the licensed premises, that the operator be the holder of a valid driver's licence as defined under the Highway Traffic Act R.S.O. 1990 Chapter H. 8, as amended, and shall not employ any person or permit any employee to drive or operate such motor vehicle unless such person is the holder of a valid driver's licence, as defined under the Highway Traffic Act;
 - (4) that except in the case of a metered or automatically controlled commercial parking lot, a competent attendant is on duty at all times during business hours as indicated on the sign;
 - (5) that no soliciting occur, on any highway within the jurisdiction of the Municipality, on behalf of the licensed commercial parking lot;
 - (6) that no signs displayed on the licensed premises resemble or be constructed to resemble an official parking symbol used to designate municipal parking lots;
 - (7) that no person is allowed to loiter about the premises; and
 - (8) that the licensed premises be kept free from dirt, debris, snow, ice or other foreign substances and be kept in a clean and neat condition, and that any sidewalk or street upon which such premises abuts, be kept free from dirt, debris, snow, ice or other foreign substance derived from such premises or resulting from the use thereof.

PUBLIC HALLS

Schedule 23 to By-law No. 2001-31

Authority: Municipal Act, R.S.O. 1990, c. M.45, as amended

1. In this Schedule:
 - (1) "Owner" means person who has in respect of premises an estate for life or a greater estate, legal or equitable or a leasehold estate.
 - (2) "Public Hall" means a building or portion of a building including a portable building or tent that is offered for use or used as a place of public assembly, but does not include a theatre within the meaning of The Theatres Act, or a building, except a tent, used solely for religious purposes.
 - (3) "Fire Resistive Construction" means non-combustible construction having a fire-resistance rating of one hour or more.
 - (4) "Exit" means that part of a means of egress that leads from the floor area it serves, including any doorway leading directly from a floor area to a public thoroughfare or to an approved open space.
 - (5) "Floor Area" means the space on any storey of a building between exterior walls and required firewalls, including the space occupied by interior walls and partitions but not including exits and vertical service spaces that pierce the storey.
 - (6) "High Occupant Load" means an occupant load where the number of persons in a room or floor area is such that the area of floor per person is not more than 12 square feet in accordance with the Ontario Fire Code or Ontario Building Code.
 - (7) "Occupant Load" means the number of persons for which a building or part thereof is designed.
 - (8) "Means of Egress" means a continuous path of travel provided by a doorway, hallway, corridor, exterior passageway, balcony, lobby, stair, ramp or other egress facility, or combination thereof for the escape of persons from any point in a building, floor area, room or contained open space to a public thoroughfare or other approved open space. Means of Egress includes exits and access to exits.
 - (9) "Mezzanine" means an intermediate floor between the floor and ceiling of any room or storey. It shall not be considered as a storey in calculating building height provided:
 - (a) the aggregate area of the mezzanine floor does not exceed 40% of the area of the room or storey in which it is located;

- (b) it is used as an open floor area except as provided in sentence 3.3.2.9(2), of the Ontario Building Code; and
 - (c) the space above the mezzanine floor and the space above the floor beneath it has no visual obstructions more than 42 inches above such floors.
- 2. No owner shall operate a public hall or allow any building or part thereof to be used as a public hall unless he holds a public hall licence issued by the Clerk for which the fees payable shall be as outlined in Schedule 30 of this by-law:
 - Grade 1 - Licensed capacity of over 1,000 persons
 - Grade 2 - Licensed capacity of between 999 and 600 persons
 - Grade 3 - Licensed capacity of between 599 and 300 persons
 - Grade 4 - Licensed capacity of under 300 persons
- 3. No licence fee shall be payable under this Schedule in respect of any part of any school building or by any religious organization in respect of a public hall used for entertainment given or held only by such organization but every such hall shall in all other respects comply with this part and shall require a licence.
- 4. Every application for a public hall licence shall be accompanied by:
 - (1) a statement on the form provided by the Clerk giving such particulars as to the location, size and construction of the hall, and in the case of applications for renewals, any renovations or reconstruction, as may be required;
 - (2) a certificate signed by the Fire Inspector or Fire Prevention Officer, certifying that the building meets the minimum fire safety requirements of this Part and the Ontario Fire Code and stating how many persons should be allowed under the provisions of the Ontario Fire Code or Ontario Building Code.
 - (3) a certificate signed by the Chief of Police certifying that the operation of a hall in the location applied for is approved by him and that he is satisfied with the proposed use of the building or part thereof as a public hall and with the proposed methods of operation; and
 - (4) a certificate dated within three months of the application signed by the local inspector of the Hydro-Electric Power Commission of Ontario, certifying that the electrical wiring has been inspected and found satisfactory;
 - (5) a certificate signed by the Public Health Inspector stating that the hall has been inspected and whether he is or is not satisfied therewith.
- 5. Calculation of the "Occupant Load":

- (1) The owner of a public hall shall not allow a greater number of persons to enter and be in the hall at any one time than is stated to be the maximum capacity of the hall on the licence, which maximum capacity shall be determined as follows:
 - (a) The occupant load of every floor area or part thereof, shall be:
 - (i) the number of persons for which the floor area or part thereof is designed; but
 - (ii) not less than the number of persons that can be accommodated on the floor area or part thereof as determined from Occupant Load TABLE A;
 - (b) for the purpose of this article, mezzanines, tiers and balconies shall be regarded as part of the floor area;
 - (c) where a room or group of rooms is intended for two or more occupancies at different times, the value to be used from Occupant Load TABLE A shall be the value which gives the greatest number of persons for the occupancies concerned.

Occupant Load TABLE A

ITEM NO.	TYPE OF USE OF FLOOR AREA OR PART THEREOF	AREA/PERSON (Sq. Ft.)
ASSEMBLY USES		
1	Space with fixed seats	*
2	Space with non-fixed seats	8
3	Space with non-fixed seats and tables	10
4	Standing space	4
5	Stadia and grandstands	6
6	Bowling alleys, pool and billiard rooms	100
7	Classrooms	20
8	School shops and vocational rooms	100
9	Reading or writing rooms or lounges	20
10	Dining, beverage and cafeteria space	12
11	Laboratories in schools	50
12	Other assembly uses	15

*The occupant load shall be based on the number of seats provided.

- (2) For the purposes of this Schedule, the floor area of a public hall shall not include the

floor areas of any platform, stage, washroom, kitchen, cloakroom, hallway, entranceway, stairway, stairwell or any other anteroom adjacent to or used in connection with such public hall.

- (3) The owner of every public hall shall display in a prominent place in the entranceway to the public hall and inside the hall adjacent to the entranceway, placards, received from the Clerk at the time of issuance of the licence. Such placards shall state the permitted maximum occupancy and the telephone number of the Fire Chief.
- 6.
- (1) In every public hall having rows of fixed seats, there shall, in addition to the space at the front and the rear of the hall, be aisle space of at least 36 inches wide where serving seats on one side only and at least 42 inches wide when serving seats on both sides. The minimum width of such aisle shall be measured at the point farthest from an exit, cross aisle, or foyer and shall be increased in width by 1 1/2 inches for each 5 ft. in length toward the exit.
 - (2) Such exits, cross aisles or foyers, as mentioned in subsection 6-(1) shall be at least the required width of the widest aisle plus 50% of the total required width of the remaining aisles that it serves.
 - (3) The floor of every aisle shall have a gradient of not more than 1 to 8.
 - (4) In every public hall having rows of movable seats there shall, in addition to the space at the front and rear of the hall, be aisle space of not less than 44 inches in width for every 150 persons or fraction thereof for which the hall is licensed and no centre seating Section shall contain more than fourteen (14) seats in a row and no seating Section running to a side wall shall contain more than seven (7) seats in a row.
 - (5) In every public hall having chairs and tables, there shall, in addition to the space at the front and rear of the hall, and in addition to any space used for dancing or any entertainment, be clear aisle space of not less than 22 inches in width between rows of tables and chairs for not more than two (2) persons, thirty-six (36) inches between rows of tables and chairs for not more than four (4) persons and forty-four (44) inches in width between rows of tables for more than four (4) persons at an individual table.
 - (6) Movable seats shall not be permitted in balconies or galleries on which the floor is arranged in steps.
 - (7) Where an exit is located at the side of the hall having movable or fixed seats or chairs and tables, there shall be a cross aisle giving access to each such exit. The cross aisle shall conform to subsection (2) of this Section 6.
 - (8) Standing in the aisles, additional seats or additional chairs and tables, which would reduce the effective aisle width below the required minimum shall not be permitted.

- 7. (1) (a) Every public hall shall be served by not fewer than two exits except as provided in (b).
- (b) Floor areas intended for public halls in buildings not exceeding 2 storeys in building height, may be served by one (1) exit provided;
 - (i) the floor area is not intended for more than 60 persons;
 - (ii) the floor area does not exceed 2,000 sq. ft; and
 - (iii) the travel distance from any point in the floor area whether subdivided or not, to the exit does not exceed 50 ft.

- (2) Where more than one (1) exit is required from a floor area, such exits shall be located so that the travel distance to at least one (1) exit shall not be more than 100 ft.
- (3) Where more than one (1) exit is required, every exit shall be considered as contributing not more than one-half (1/2) the required units of exit width.
- (4) Exits shall be located and arranged so that they are clearly visible or their locations are clearly indicated and they are accessible at all times.
- (5) The number of exits from each floor area in which there is a high occupant load shall conform to the following:

TOTAL NUMBER OF PERSONS (OCCUPANT LOAD)	MINIMUM NUMBER OF REQUIRED EXITS
60 - 600	2
601 - 1,000	3
Over 1,000	4

- (6) The clear width of every exit shall be at least 36 inches and the clear width of any corridor used as an exit shall be at least 44 inches.
- (7) (a) In determining the aggregate widths of required exits, the occupant load of every room or floor area of the considered building shall be determined according to Section 5 of this Part.
- (b) The aggregate width of exits from a room or floor area expressed in units of exit width (22 inches) shall be determined by dividing the occupant load of the prescribed area by the allowable number of persons per unit of exit width specified in subsection 7.(7).
- (c) In determining the width in units of an individual exit, width of an exit in inches shall be divided by 22. When the remainder is less than 12 inches, it shall not

be considered as contributing to the number of units. Where the remainder is 12 inches or more, it shall be considered as contributing 1/4 unit of exit width.

- (d) Where two or more exits converge, the aggregate required units of exit width shall be cumulative except that the width of an exit stair need not be cumulative where the floor areas that it serves:
 - (i) are one above the other; or
 - (ii) do not contain a high occupant load.
- (8) (a) In rooms or floor areas that have a high occupant load, the number of persons per unit of exit width shall be 90 for a ground level entrance and passageways at ground level and 60 for ramps, stairs and connecting passageways.
- (b) For all other occupancies the number of persons per unit of exit width shall be 60.
- (9) (a) Every means of egress shall have a headroom clearance of at least 7 feet.
- (b) The headroom clearance for stairways measured vertically above any landing or nosing of any stair tread shall be at least 6 ft. 9 in.
- (c) The headroom clearance for doorways shall be at least 6 ft. 8 in.
- (d) No device, such as a door closer, shall be installed so as to reduce the headroom clearance of a doorway to less than 6 ft. 6 in.
- (10) Every balcony or gallery in a public hall shall have at least two independent means of exit, either to the outside or to the main floor of the hall.
- (11) Rugs, carpets or other floor coverings shall be secured and maintained so that they will not ruck or so that they will not, in any way, impede egress.
- (12) Mats located at the entrance of the public hall shall be flush with the floors or have cambered or bevelled edges.
- (13) Articles which may create any obstruction shall not be located in or adjacent to the path of exit travel.
- (14) An area measuring six (6) feet from the near side of the exit is to be kept clear.

8. (1) Every exit door shall open in the direction of exit travel.
- (2) All exit doors including the main entrance door shall be equipped with panic-type hardware that enables a door to be opened easily upon the application of pressure from the inside. Panic hardware shall not be required on free swinging doors which are not equipped with any locking or latching devices.
- (3) (a) No revolving type of door or turnstile shall be used as an exit from a public hall except that a revolving type door or turnstile may be used from the first or ground floor provided that there is an exit door or doors of the swing type adjacent to and within at least fifteen (15) feet of the revolving door or turnstile.
- (b) Revolving doors or turnstiles shall not be used at the foot of any stairway.
- (4) Hooks, padlocks, chains and draw bolts other than the panic hardware type, shall not be permitted on doors.
- (5) Whenever a public hall is to be used, the owner shall take all necessary steps to ensure that the doors open freely.
9. (1) Above every exit or access to exit, every exit sign shall:
 - (a) be visible from the exit approach;
 - (b) have the word "EXIT" in plain legible letters as described in sentence (2) of this Section;
 - (c) be designed to be illuminated continuously while the public hall is occupied;
 - (d) be connected to an electric circuit separate from that furnishing any other electric service in the building and on a circuit from a point on the supply side of the service switch and provided with its own service box;
 - (e) the circuit must be identified;
 - (f) in lieu of electric current, an approved nuclear radiant sign may be used.
- (2) (a) Lettering on exit signs shall be at least 4 « inches high with the principal strokes 3/4 inch in width, red on a black or opaque background.
- (b) Exit signs shall be internally illuminated.
10. (1) The width of every exit stairway shall not be less than the exit door from which it leads and the width of every exit stairway that serves floor areas with a total occupant load exceeding 100 persons shall be at least 44 inches.

- (2) Treads and risers in every exit stair, except a fire escape stair, shall be proportioned so that the product of the rise and run in inches shall not be less than 70 and no more than 75; risers shall have maximum rise of 7-3/4 in. and a minimum rise of 5 in.; treads shall have a minimum run of 9 in. exclusive of nosing, provided where structural difficulties exist the Building Inspector may issue a permit in writing for a stairway having a slope of not greater than 45 degrees from the horizontal.
- (3) The finish for treads and landings of interior or exterior stairs and ramps accessible to the public shall have non-skid finish or be provided with non-skid strips.
- (4) An inclined ramp may be permitted in lieu of a stairway, provided such ramp shall have a slope not greater than one foot rise in 10 ft. of run.
- (5) Any exit stairway, connecting two or more floors, shall be enclosed at all floor levels with construction having a fire resistance of not less than one hour. Doors providing access to this enclosure shall have a fire resistance of not less than 3/4 hour and shall be equipped with self closers.
- (6) All exit stairway enclosures shall provide a protected means of egress to grade such that it would not be necessary to leave the stairway enclosure to reach an exterior door. A lobby or foyer may constitute part of the stair enclosure provided that it is enclosed in accordance with subsection (5) and provided that the distance of travel through the lobby to an exit does not exceed 50 feet.
- (7) Exit stairs from the first balcony or gallery above the main floor need not be enclosed provided that these stairs serve only the first balcony or gallery.
- (8) Every passageway or platform leading to or from an exit stairway shall be kept clear of all obstructions.
- (9) The space under stairs shall be left entirely open or shall be completely closed without any means of access.
- (10) In buildings over 2 storeys in building height, any part of an exit ramp or stair that continues past the exit door at ground level to a basement or cellar shall be clearly marked in some manner to indicate that it does not lead to an exit.

1. All combustible exit stairs and landings shall have their undersides protected by a one hour fire resistive ceiling.

11. (1) Every outside fire escape shall be of the stair type only and shall extend down to the ground or street level, provided that where a fire escape is situated on a street or travelled lane, the last Section may with the approval in writing of the Building Inspector, be the counter-balanced type. In no case shall the slope of the stairway exceed 45 degrees with the horizontal. The counter-balanced type must be serviced yearly. The area beneath the stairway is to be kept clear.

- (2) The stairs, platforms, supporting members and anchorage of every outside fire escape shall be designed to support, in addition to their own weight, a live weight of not less than 100 lbs./square foot of tread and platform.
 - (3) The maximum vertical distance between grade level and the second storey landing of an outside fire escape shall not exceed 14 feet and the maximum vertical distance between all other landings above the second storey shall not exceed 12 feet.
 - (4) Every stairway of an outside fire escape shall have a minimum tread width of 36 inches and all landings shall have a clear area of 12 square feet. Each stairway and landing shall be equipped with handrails.
 - (5) Every window beneath, within 15 ft. horizontally, and every window above, within 10 ft. vertically of any portion of an outside fire escape, shall be provided with wired glass fixed sash and every door other than the door serving the top floor, underneath and providing access to an outside fire escape shall be a one hour fire-rated door with a self-closer.
12. Before the public hall is used on any occasion, the owner shall clear every outside fire escape of snow, ice or any other obstruction.
 13. Every stairway, passageway, and fire escape shall be well, lighted whenever the public hall is in use and emergency lighting shall be installed where required in accordance with the Building By-law of the Municipality.
 14. False doors, windows, mirrors or other type of decoration which give the appearance of a door or exit where no door or exit exists, shall not be permitted.
 15. The owner shall see that any person using the public hall complies with the following with respect to decorations:
 - (1) Decorative paper, crepe paper, cardboard, corrugated display card, or other combustible materials being used have been fire-retardant treated during manufacturing. Proof must be submitted to the Fire Chief upon request.

N.F.P.A. Fire Protection Handbook (6-116) identifies that treating paper is difficult due to the questions of various paper finishes, sizing and colour fastness. It is preferable to purchase factory-treated materials.
 - (2) Plastic decorations or costumes shall not be used in any public hall.
 - (3) Curtains of combustible materials must be fire-retardant treated annually unless it can be shown to the satisfaction of the Fire Chief that the treatment will last longer.

- (4) Combustible stage properties must be fire-retardant treated before use.
 - (5) Vegetable produce such as wood, straw, corn stalks, etc., must be fire-retardant treated before use.
