- 209.01.03** Where angle parking is permitted, the front wheels of the vehicle shall be adjacent to or as close as is practicable to the parking meter provided for such parking meter space.
- 209.02** No person shall park a vehicle or permit a vehicle to remain parked in such a manner that it is not wholly within the area designated as a parking space unless the vehicle is of such length as to render it impossible to park it in one parking space, in which case the adjoining parking space or spaces may, in addition, be used if the required coin deposits are made in the parking meters provided for all such parking spaces so used.
- 209.03** No person shall park a vehicle or permit a vehicle to remain parked in a parking meter space if:
 - 209.03.01** The parking meter has been covered by a parking meter cover or parking prohibition sign or the parking meter has an "Out of Order" display or a "No Parking" display on the indication.
 - 209.03.02** Such parking meter space is presently occupied by another vehicle.

Parking Metered Space Subject to Other Provisions

- 209.04** The stopping, standing, and parking of vehicles in metered spaces shall be subject to all prohibitions, restrictions, limitations and provisions of this By-law, other City of Niagara Falls By-laws and The H.T.A..

Use of Parking Meter

- 209.05** No person shall deposit or cause to be deposited in any parking meter:
 - 209.05.01** Any slug, device or other substitute for a coin of the Dominion of Canada or of the United States of America, or a City of Niagara Falls parking token, or;
 - 209.05.02** Any coin except a five cent coin commonly referred to as a "nickel", a ten cent coin commonly referred to as a "dime", a twenty-five cent coin commonly referred to as a "quarter", a fifty-cent coin, a dollar coin, a two dollar coin, of the Dominion of Canada or the United States of America, or a City of Niagara Falls parking token.

**Parking Meter Zones -
Schedule "G"**

- 209.06** The highways or portion of the highways described in Schedule "G" of this by-law are hereby designated as parking meter zones.
 - 209.06.01** Subject to the provisions in Subsection 209.06.02, when parking meters have been erected on the highway, at the side, and between the limits set out respectively in Column 1, 2 and 3 of Schedule "G" of this by-law, no person shall park a vehicle or permit a vehicle to remain

parked for a longer period of time and during the times of day set out respectively in Columns 4 and 5 of the said schedule;

209.06.02 Subject to the maximum parking time period and the hours and days of operation set out in Schedule "G" of this by-law, no person shall park any vehicle or permit a vehicle to remain parked in a parking meter space unless the fee set out in Column 4 of the said schedule is deposited in the meter controlling such parking meter space and the said meter is in operation and the said time limit on the meter for which the appropriate fee has been paid has not expired and that the receipt issued by the parking ticket dispenser shall be placed inside the windshield of the vehicle while the vehicle is parked in or on the parking space in a position so that the writing and markings on the receipt face outward so as to be easily seen from outside the vehicle.

209.06.03 Subject to the provisions in Subsection 209.06.02, when parking meters have been erected on the highway, at the side, and between the limits set out respectively in Column 1, 2 and 3 of Schedule "G" of this by-law, no person shall park a vehicle or permit a vehicle to remain parked in the area prescribed in schedule "G2" and "G3", attached to this by-law for a longer period of time and during the times of day set out respectively in Columns 4 and 5 of the schedule "G"; **(as amended by by-law 2003-110 06/02/03)**

Unexpired Parking Meter

209.07 The driver of a vehicle shall not be prevented from using the unexpired time remaining on a parking meter from its previous user without depositing a coin therefor.

Vehicle at Expired Parking Meter

209.08 The fact that a parking meter governing a parking meter space indicates that a vehicle, displaying no time in the parking meter or displaying an expired ticket or no ticket at all, is unlawfully parked in prima facie evidence that such a vehicle is unlawfully parked.

Loading and Parking Permits

209.09.01 The Director of Transportation Services or their designate may issue:
Revised Jan 2010

- (i) "Commercial loading permits" to the owner of any commercial vehicle and any commercial vehicle for which such a permit has been issued may be parked in any parking space while actually engaged in loading goods, wares, or merchandise, without making use of the parking meter adjacent to such parking space, for a period not longer than thirty minutes;
- (ii) "Commercial parking permits" to the owner of any commercial vehicle and any commercial vehicle for which such a permit has been issued may be parked in a metered parking space while such a vehicle is being used in connection with the construction and/or maintenance of any plant, equipment or adjacent structure or any

service required at abutting properties;

- (iii) “On-street overnight parking permit” to the owner of any vehicle, who is a resident of the City of Niagara Falls, and who has made application and received approval from the Director of Transportation Services or their designate and the owner may only park his vehicle on the section and side of the road indicated on the permit.

209.09.02 Every commercial vehicle for which a commercial loading permit or a commercial parking permit has been issued and every vehicle for which an on-street overnight parking permit has been issued, shall be identified by having displayed face up on the driver’s side of the vehicle’s dashboard the official permit issued by the Director of Transportation Services or their designate; (Revised Jan 2010)

209.09.03 The fee for every commercial loading permit, commercial parking permit and on-street overnight parking permit shall be in accordance with the tariff contained in Schedule “G1” to this by-law.

Taxicab - Parking Prohibited

209.10 No person shall stop, stand or park any taxicab in a metered parking space, whether prescribed fee for the use thereof is paid or not, for the purpose of soliciting business; however, it shall be unlawful for the driver to stop his taxicab in any unoccupied parking space while actually engaged in loading or unloading passengers.

Parking Meter Exemptions

209.11 Notwithstanding anything hereinbefore contained, drivers of the following classes of vehicles shall not be required to deposit coins in the parking meters or parking ticket dispensing machines provided for a parking space or parking zone occupied by such vehicles:

- (i) Fire Department vehicles,
- (ii) Niagara Regional Police Force vehicles,
- (iii) Ambulances,
- (iv) Hearses,
- (v) Privately owned vehicles in use by employees of the City of Niagara Falls on City business or the employees of the Region on Regional business, provide that such vehicles are identified by having affixed to the windshield thereof an official parking permit issued by the City of Niagara Falls,
- (vi) Vehicles owned by the City of Niagara Falls or the Region,

- (vii) Vehicles of a Public Utilities Commission while such vehicles are being used in connection with the construction, maintenance or repair of any plant or equipment of such Commissions,
- (viii) A privately owned vehicle, identified by an official handicapped permit displayed in the windshield or a valid government issued “Veterans” license plate for up to two hours or the maximum period of time indicated on the face of the meter, whichever is less, as identified in Schedule “G”.
- (ix) A commercial vehicle identified by a commercial loading permit displayed in the windshield.

PART III SPECIAL ZONES
