

Notice of Public Information Centre Municipal Class Environmental Assessment

Dorchester Road & Oldfield Road Intersection Improvements City of Niagara Falls

Background: The City of Niagara Falls (City) and through their consultant Associated Engineering (Ont). Ltd. (AE) has initiated a Municipal Class Environmental Assessment (MCEA) for the intersection improvements at Dorchester Road and Oldfield Road, in the City of Niagara Falls.

As part of the MCEA process, the needs and opportunities have been identified, existing conditions have been documented and improvement alternatives have been developed and evaluated.

The Process: In accordance with the Municipal Engineers Association's (MEA) *Municipal Class Environmental Assessment*, this Study is being planned as a *Schedule B*. The Study process includes public and stakeholder consultation, development and evaluation of alternatives, an assessment of the impact of the proposed improvements, and identification of measures to mitigate any adverse impacts.

Public and stakeholder consultation is a key element of the MCEA process and input is invited for incorporation into the planning and design of this project. Comments received from the public will be considered in the identification of the preferred solution and preparation of the Project File Report. A Public Information Centre (PIC) is scheduled for:

Wednesday July 6, 2022
5:00pm to 7:00pm
McBain Community Centre
7150 Montrose Road, Niagara Falls ON L2H 3N3
Multi Purpose Room D/E, Second Floor

The PIC offers an opportunity to review study progress to-date, provide input into the MCEA process, and discuss opportunities and constraints with representatives from the project team. For further information, or to provide input into the MCEA process, please contact one of the project team members identified below:
