# SAFETY BEFORE CONVENIENCE

## NO STOPPING ZONE SAFETY FACTS

Areas designated as **NO STOPPING**  near school zones are installed for the safety of all children and parents.

Vehicles stopping, even momentarily, can quickly create a dangerous environment for children as they exit vehicles & become difficult to see around cars/trucks.

Please be aware, pick up & drop off times at schools, result in very high traffic volumes in short amounts of time. Increasing the risk of an accident or injury.

Vehicles identified in a No Stopping zone will result in an immediate ticket being issued.

As a result of changes to Provincial legislations for the issuance of parking infractions, vehicles repeatedly spotted in restricted areas & are driving away before the ticket can be handed out, will receive the ticket through the mail.

In the attempt to leave the area before receiving the infraction, motorists are not watching for pedestrians or other motor vehicles which increases the possibility of injury to children & the public.

To avoid potential safety hazards & receiving any parking penalty notices, please take a few extra moments to find safer parking outside of posted restricted areas when dropping off & picking up your child/children.

### WHAT THIS SIGN MEANS:

The halting of the vehicle, even momentarily, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a Police Officer or a traffic control sign or signal, is prohibited.

Stopping Fine - \$66.00 Ontario Highway Traffic Act
