

The City of Niagara Falls Fire Department

VOLUNTEER FIREFIGHTER

**RECRUITMENT INFORMATION GUIDE
2020**

INTRODUCTION

Becoming a Volunteer Firefighter with the City of Niagara Falls is a challenging but very rewarding endeavour:

- **Comprehensive Training**

One of the most significant benefits to becoming a Volunteer Firefighter is the amount of training individuals receive – DZ license, NFPA Level 1 and Level 2, First Aid/CPR, NFPA 1035 Public Fire and Life Safety Educator and auto extraction to name a few. There is no cost to our volunteers for any training and the courses allow progression through various operations, ranks and roles.

The training our volunteers receive extends beyond firefighting - the skills and experience gained can be leveraged in any career. In addition, training and working with other like-minded individuals in a team-orientated environment not only fosters friendship and camaraderie, it allows individuals to create professional networks.

- **Community Service**

Volunteer Firefighters serve our community and help our citizens in times of need. This service isn't simply limited to fire suppression and medical assistance but extends to community events too. Fire awareness, education and prevention, and charity fundraising are just a few of the activities volunteers participate in.

- **Honorarium**

In recognition of the commitment, time and effort made to assist their community and the residents within it, our Volunteer Firefighters receive a small, annual stipend for training and attending calls.

More information about our Volunteer Firefighter position and the City's recruitment program may be found in the following pages.

POSITION INFORMATION

This description reflects the general details considered necessary to describe the primary functions of the position identified, and shall not be construed as a detailed description of all the work requirements that may be inherent in such classification.

Summary

This is a skilled position entailing firefighting, rescue and other related emergency services. It requires active and frequent participation in programs for the prevention of fires and the saving of life and property.

A Volunteer Firefighter is responsible for rapidly, efficiently and safely performing various duties under emergency conditions frequently involving considerable hazard. The work includes routine duties in the maintenance of firefighting vehicles, equipment and fire department facilities.

While specific orders and directions are received from an officer in the normal course of maintenance duties and firefighting, considerable independence of judgment and action is allowed in circumstances of extreme urgency where referral to a superior for instructions is not possible. A periodic review of the work is carried out by an officer in order to maintain and improve the efficiency of the Fire Department as a whole and to remain focused and in line with goals requested by the Fire chief.

Volunteer Stations

Volunteer Firefighters operate out of three stations:

- **Station 4** - 8696 Banting Avenue - located in Chippawa
<https://niagarafalls.ca/city-hall/fire/suppression/station-4.aspx>
- **Station 5** – 11208 Sodom Road - located in Willoughby
<https://niagarafalls.ca/city-hall/fire/suppression/station-5.aspx>
- **Station 6** - 8037 Schisler Road - located in Crowland
<https://niagarafalls.ca/city-hall/fire/suppression/station-6.aspx>

Basic Volunteer Catchment Area

Volunteer Firefighters respond within specific designated areas and therefore must reside within the *Basic Volunteer Catchment Area*.

Please refer to the *Basic Volunteer Catchment Area* map on the next page for more information regarding acceptable residency boundaries.

Basic Volunteer Catchment Area

Responsibilities

1. As a member of a station, responds to emergency calls, lays and connects hose, holds nozzles and directs streams, raises and climbs ladders, uses extinguishers and other equipment.
2. Provides rescue in various forms and first responder awareness level actions at hazmat calls.
3. Removes persons from danger and administers first aid to injured persons.
4. Ventilates buildings to release heat, smoke and gases and places salvage covers to prevent water damage.
5. Attends at a minimum, training sessions (60 hours) and emergency calls (30%) annually.
6. When qualified, drives and operates firefighting apparatus.
7. Performs varied maintenance tasks on apparatus, equipment and facilities.
8. When assigned to fire prevention work, under direction of an officer, performs inspections and administrative duties as required.
9. As required, assists with the preparation and delivery of training materials, drills, etc.
10. Performs related duties as assigned.

QUALIFICATIONS

Mandatory Qualifications

- Must reside within the area of volunteer response (please refer to the *Basic Volunteer Catchment Area* map for more information)
- Be at least 18 years of age
- Be legally entitled to work in Canada
- Possess a High School Diploma or equivalent
- Possess a valid Ontario Class “G” Driver’s Licence and willing to obtain a Class “DZ” Licence within the first two years as a volunteer
- Must have an acceptable driving record (submission of a three-year, uncertified driver’s abstract that is less than six months old is required)
- Possess or have access to own transportation
- Not have any criminal convictions for which a pardon has not been granted
- Have had or be willing to obtain the Hepatitis B vaccination
- Be a proficient swimmer
- Able to respond to emergency calls in a safe and expedient manner
- Able to engage in work activities that are physical in nature
- Able to attend required training conducted on evenings and some weekends
- Able to maintain a high degree of trustworthiness, confidentiality; must exercise discretion and tact
- Possess good verbal and written communication skills
- Be customer service focused and team orientated

Asset Qualifications

The following qualifications would be considered an asset but are not required:

- Valid First Aid / CPR certification
- Experience in firefighting principles, practices and equipment
- Post-secondary Fire Services and/or Medical education

Candidates will be required to successfully complete the following:

- Physical Ability, Acrophobia and Written Aptitude Testing
- Interview
- Canadian Police Criminal Record and Judicial Matters Check (PCRJMC)
- Medical Assessment
- Reference Checks
- Recruit Training
- One-Year Probationary Period

PERFORMANCE EXPECTATIONS

Standard

Volunteer Firefighters must perform their duties in an uncontrolled environment under emergency conditions. The job involves the rapid change from relative inactivity to sudden strenuous activity under physically and psychologically stressful conditions.

With these factors in mind, candidates must be in the required physical and mental health and have no conditions which could interfere with their ability to perform the required duties safely. The successful candidate will be expected to be a team player who understands the need to follow orders, procedures, guidelines, etc. in a cooperative and safe manner.

Successful candidates will present themselves in a professional manner at all times and be fully conscious of the public's expectations of a Volunteer Firefighter.

Attendance

It is vital successful candidates be aware that regular attendance at training and at emergency calls is critical to the safe and successful operation of the Department.

Successful candidates must be prepared for and committed to meeting annual (November to November) attendance requirements. The following constitutes regular attendance:

- 60 hours of training; and
- 30% participation rate in all emergency responses for the station to which they are assigned.

RECRUITMENT AND SELECTION PROCESS

Recruitment Timetable

This is the general timeline for the City of Niagara Falls' Volunteer Firefighter Recruitment. Details regarding each action item may be found in the following pages. **Dates and times may be subject to change.**

5	Police Check (PCRJMC)	October 12-16, 2020
6	Medical Evaluation	October 17 and 18, 2020
7	Reference Checks	October 19-23, 2020
8	Appointment Offer	November 2, 2020
	Start Date / Orientation (Welcome, Paperwork, Photos, Measuring, etc.)	November 9, 2020 at Station 1 (in the evening)
	Fit Testing and Bunker Gear	December 7, 2020 at Station 6 (in the evening)
	First Training Session	January 4, 2021 at Station 6 (in the evening)
	Graduation	June 2021

Stage 1: Public Information Session (*Optional but Strongly Recommended*)

It is strongly recommended potential candidates attend the Public Information Session (registration is required).

Date: **Thursday, September 3, 2020**

Time: **7:00 p.m. – 8:30 p.m.**

Location: **Station 6**
8037 Schisler Road, Niagara Falls

RSVP: VolunteerFire@niagarafalls.ca by **Thursday, August 27th**
Include name, email address and telephone number when registering.
Participants will be subject to COVID-screening prior to entering session.

Stage 2: Submission of Application and Documentation

Due Date: Thursday, September 10, 2020 at 4:30 p.m.

The Application Form and this Volunteer Firefighter Recruitment Information Guide may be found on the City's website www.niagarafalls.ca (select the Careers & Employment icon) or requested via email during the recruitment phase.

To apply for the Volunteer Firefighter position, the following documentation must be submitted electronically through the City's website by the due date:

1. Completed **Application Form**;
2. Current **Driver's Abstract** (less than six months old)*; and
3. Photocopy of valid **Ontario Driver's licence**.

Candidates are welcome to include copies of any related certifications (i.e., fire and/or medical) with their application.

Please note, only those candidates advancing through the selection process will be contacted.

***Special Note regarding the Driver's Abstract**

A three-year, uncertified driver's abstract may be obtained through Service Ontario at one of their offices or via their website (<https://www.ontario.ca/page/order-drivers-record>).
Candidates are responsible for this expense.

Stage 3: Physical Ability, Acrophobia and Written Assessments

There is no cost to candidates for these assessments. Candidates are eligible for one test attempt per recruitment drive.

Physical Ability and Acrophobia

Once applications are reviewed, candidates selected to move forward will be required to complete the Firefighter Services of Ontario's Candidate Physical Ability Test (CPAT) and Acrophobia (fear of heights) assessment.

This testing will take place in St. Catharines and may take up to 2.5 hours to complete.

- For information on the CPAT, visit <https://www.fireontario.com/services/occupational-assessment-cpat/>. Candidates who have a valid CPAT certificate upon applying may be exempt from this assessment. For the purpose of this volunteer recruitment only, the CPAT may be modified slightly (i.e., timed completion).
- For information on the Acrophobia testing, visit <https://www.fireontario.com/services/acrophobia-test/>.

Written Assessment

The Written Assessment is comprised of multiple choice, true/false and short-answer questions on the topics of mathematics, reading and mechanical/problem-solving.

Candidates have up to 90 minutes to complete the Written Assessment which will be administered by the Fire Department. Paper and pencils will be supplied; calculators are not permitted.

Stage 4: Interview

The selection for interview will be based on the Application, Physical Ability and Acrophobia testing and the Written Assessment. The top applicants will be interviewed by a panel consisting of Fire Department and Human Resources staff.

Candidates will be required to supply two supervisory, work-related references at time of interview (see *Stage 7* for more information regarding reference checks).

Stage 5: Police Check (PCRJMC)

Concurrently with the Medical Evaluation (see *Stage 6*), the City will require candidates obtain a Canadian Police Criminal Record and Judicial Matters Check (PCRJMC). A Vulnerable Sector Check is not required.

Should the Niagara Regional Police experience a delay in processing record checks due to a high volume of requests, candidates may be required to complete a *Declaration under Oath* with the City Clerk (by appointment). There is no cost to candidates for this declaration.

Candidates will be reimbursed for the cost of a new PCRJMC once the original document and purchase receipt have been submitted to the City.

If candidates are in possession of a PCRJMC that is three months old or less, it may be accepted. Candidates will not be reimbursed for a previously obtained police record check.

Stage 6: Medical Evaluation

The top applicants will be required to undergo a comprehensive medical examination coordinated by the City with local practitioners/agencies.

Candidates will meet with a physician for a general physical assessment followed by several tests: basic urine screening, vision test*, blood pressure check, pulmonary function test, hearing exam, electrocardiogram (ECG), blood work, and chest x-rays (*note: the ECG, bloodwork and x-rays will be conducted separately, during regular clinic hours, and could take up to 2.0 hours to complete*).

Test results are strictly confidential and will not be disclosed to the City - the only information the City will receive is whether an individual is “Fit” or “Unfit” for the duties of a Volunteer Firefighter and whether or not an individual requires the Hepatitis B vaccination*.

There is no cost to candidates for the medical evaluation.

***Special Note Regarding the Vision Test**

To meet vision requirements, candidates must have 20/30 uncorrected or 20/40 corrected vision and satisfactorily complete a color vision test. More details are available if required.

***Special Note Regarding the Hepatitis B Vaccination**

“Fit” candidates selected to become Volunteer Firefighters but who are without Hepatitis B immunity will be required to obtain the vaccine. More details are available if required.

Stage 7: Reference Checks

Confidential reference checks for the top applicants will be conducted to assess work history, work performance and attendance record.

At time of interview, candidates will be required to submit a completed *Reference Consent Form* (to be supplied). On the form, candidates are to provide the names and contact information of two individuals to whom they have directly reported in a professional (preferred), voluntary or school-related capacity. Candidates are encouraged to include day, evening or alternate (i.e., cell phone) numbers for each of their references.

Reference letters are not required and **character references will not be considered.**

It is strongly recommended that candidates contact their references in advance to notify them that City of Niagara Falls' personnel may reach out to them for the purpose of providing a reference.

Stage 8: Terms of Eligibility for Appointment and Conditional Offer

To be eligible for appointment as a Volunteer Firefighter, candidates must have:

- a satisfactory Police Criminal Record and Judicial Matters Check;
- be medically deemed "Fit";
- already have, or be willing to obtain, the Hepatitis B vaccination; and
- have acceptable references.

An appointment letter will be given to the successful applicants who meet the above terms.

WITHDRAWAL OF APPLICATION

At any time during the recruitment process, a candidate may withdraw their application. A voluntary withdrawal from the recruitment process must be made in writing to VolunteerFire@niagarafalls.ca

QUESTIONS?
