**RE: Archaeological Assessments of 7301 Lundy's Lane, City of Niagara Falls, Ontario**

---

Archaeological Consultants Canada ("ACC") on behalf of RPD Studio is providing any interested parties, a background summary and reliance letter of archaeological assessments carried out at 7301 Lundy's Lane, located in the City of Niagara Falls, Ontario (the "Subject Property").

### 1.0 Background Summary of Archaeological Assessments

The subject property exhibited general archaeological potential and was subject to a combined Stage 1 & 2 Archaeological Assessment conducted by ACC under PIF P1208-0316-2022. The Assessment was carried out under the Professional Archaeological License P1208 held by Matthew Muttart.

ACC conducted a Stage 2 archaeological survey of the subject property in 2023, documented in the report dated 7 September 2023 (Report P1208-0316-2023). No artifacts or other archaeological resources were identified during the Stage 2 Archaeological Assessment. Therefore no further work was recommended.

### 2.0 Archaeological Clearance of the Subject Property

In accordance with Ontario Ministry of Citizenship and Multiculturalism ("MCM") 2011 *Standards and Guidelines for Consultant Archaeologists*, the subject property has been completely assessed and documented and has no further cultural heritage value or interest.

On the 2<sup>nd</sup> of November 2023, the Final Stage 1 & 2 Assessment Report of the Subject Property was filed by the MCM. The report is currently in queue awaiting Ministry review.

Sincerely,

Matthew V Muttart  
Principal Archaeologist  
Archaeological Consultants Canada
