**Time:** 4:00 pm to 6:00 pm

**Place:** Grand Niagara Golf Club Clubhouse  
8547 Grassy Brook Road

### PROPOSED SECONDARY PLAN

An amendment to the Official Plan is being proposed to include a detailed set of policies that will guide the development of the lands known as the Grand Niagara Secondary Plan Area.

The Plan Area, as approximately shown on the map, contains about 315ha of land and includes provincially significant wetlands and other natural heritage features. The majority of the Plan Area is currently occupied by the Grand Niagara Golf Course. There are also a number of existing uses in the Plan Area as well as undeveloped lands with site specific approvals. The lands within the northwest quadrant of Montrose Road and Biggar Road are the proposed location for a new hospital.

Draft background reports have been submitted. Copies will be available for viewing at the Open House and will be posted on the City's website afterwards.

The Secondary Plan is being carried out in accordance with the requirements of the *Planning Act*.
