File: A-2020-035

Owner: Norm Moreau

Location: The subject property known as 5153 Ontario Avenue, located between Otter Street and Seneca Street.

The applicant is requesting the Committee of Adjustment to consider minor variances from provisions of Zoning By-law No. 79-200, as amended, through a process permitted by Section 45(1) of the Planning Act (R.S.O. 1990, c.P.13).

Proposal: The applicant is proposing to construct a detached garage at the rear of the subject property. Where Zoning By-law No. 79-200 limits the height of an accessory structure with a pitched roof to 4.6 metres and limits the wall height to 3 metres, a height of 7.32 metres and wall height of 3.66 metres (respectively) are proposed. Variances of 2.72 metres and 0.66 metres (respectively) are requested. Additionally, where the by-law limits the size of an accessory structure to 15% of the lot area or 93 square metres (whichever is lesser), the detached garage is proposed to be 20.60% of the lot area and 113.81 square metres in size. A variance of 5.6% and 20.81 square metres is requested.

See the sketch on the back for more information.

If a person or public body that files an appeal of a decision of the Committee of Adjustment for the City of Niagara Falls in respect of the proposed minor variance does not make written submissions to the Committee before it gives or refuses the minor variance, the Local Planning Appeal Tribunal may dismiss the appeal.

If you wish to be notified of the decision of the Committee of Adjustment in respect of the proposed minor variance, you must make a written request to the Secretary-Treasurer, Committee of Adjustment, Planning & Development, City Hall, P.O. Box 1023, and 4310 Queen Street, Niagara Falls, Ontario, L2E 6X5.
