Notice of Construction

Contract No. 2021-483-19

Wilinger and Rideau Watermain Replacements

The City of Niagara Falls will be replacing watermain and appurtenances on Wilinger Street from Dorchester Road to west of Jupiter Boulevard and on Rideau Street from Kalar Road to Pitton Street.

Due to the scope of work involved, driveway accessibility will be affected during construction. At times it may also be difficult to drive through the above mentioned locations due to construction in progress. In accordance with the contract documents, the contractor, Provincial Construction Ltd., is required to notify emergency services of their daily operations.

Construction will commence the week of June 21st, 2021 and will be continuous until completion, weather permitting. The City of Niagara Falls respectfully requests your patience and co-operation during the construction period.
