REMOTE ELECTRONIC OPEN HOUSE

The Province has established rules for public gatherings due to the Covid-19 emergency. As a result, the size of public gatherings is restricted in City facilities to ensure public safety. To address these restrictions, City Council is holding Public Meetings remotely and electronically.

The City wants to give you an opportunity to hear about the proposal and to ask questions. The City also wants your comments on this application before a staff recommendation report is prepared and presented to Council at a future Public Meeting. Your comments may be given verbally or in a written form. To accomplish this a Remote Electronic Open House has been scheduled for:

Date: January 24, 2022

Time: 5:00 PM

Place: City Hall, 4310 Queen Street (STAFF ONLY)

A representative from the Planning, Building & Development Department as well as the applicant will attend remotely to present the proposal to you and to answer questions. Any public individual/group interested in making comments on this application or viewing and/or participating in this meeting are encouraged to use the methods noted further below.

PROPOSED AMENDMENT

The Zoning By-law Amendment application is requested to permit the development of 30 townhouse dwelling units (in three block townhouse dwellings accessed by an internal driveway and one on-street townhouse dwelling accessed from Dixon Street) on Part 2 on the site plan. Refer to Schedule 1 for the site plan.

The land is zoned Residential Low Density, Grouped Multiple Dwellings (R4), in part and Residential 1E Density (R1E), in part. The application requests Part 2 be rezoned R4, with site specific regulations to add an on-street townhouse dwelling as a permitted use and for front yard depth (from Dunn Street and Dixon Street), interior side yard width, maximum lot coverage, architectural projections into a required front yard and deck projections into a required interior side yard.
