Notice of Construction

Main Street (Chippawa) Road Reconstruction (Sodom Road to Dock Street)
CONTRACT No. 2024-594-23

The City of Niagara Falls will be conducting various infrastructure improvements on Main Street Chippawa including new sanitary and storm sewers, full depth road reconstruction, new sidewalks, bicycle lanes, driveways, curbs, and boulevards on;

Main Street Chippawa (Dock Street to Oliver Street)
Main Street Chippawa (Oliver Street to Sodom Road)

This contract will be carried out for the City of Niagara Falls by Baiocco Construction Corp.

At times it may be difficult to drive through the above location due to construction progress. Due to the scope of the work involved, Main Street Chippawa may be limited to one side of pedestrian traffic at times. Driveway accessibility will be affected periodically during sidewalk construction with every effort being made to give advance notice as these restrictions are implemented.

Construction is tentatively scheduled to commence on **April 9, 2024**, and will be continuous until completion, approximately November 2024 weather and supplies permitting.

Two lanes of traffic will be maintained whenever possible. Rolling road closures of Main Street Chippawa are expected within the various stages of construction during the sanitary sewer and storm sewer installation. The timing and limits of all road closures will be provided in advance.
