## Ferry Street Reconstruction CONTRACT No. 2024-495-19

Provincial Construction Inc. will be performing road reconstruction including underground infrastructure replacements, new curbs and sidewalks, decorative street lighting, and landscaping for the City of Niagara Falls on the following streets:

### **Ferry Street from Stanley Avenue to Clark / Ellen Avenue Buchanan Avenue from Spring Street to Ferry Street**

The project will be completed over two separate construction periods as follows:

Period 1: April 22<sup>nd</sup> to June 28<sup>th</sup>, 2024

Period 2: September 3<sup>rd</sup> to November 29<sup>th</sup>, 2024

The period from June 29<sup>th</sup> to Labour Day 2024 will be a shutdown period during the peak tourist season. During the shutdown period, the road and sidewalks will be temporarily restored and traffic operations will return to normal conditions.

A road closure on Ferry Street is required in order to safely complete the deep underground servicing. Although the road will be closed to through traffic, local access to businesses and properties within the work zone will be maintained by the contractor during construction. Through traffic will be detoured around the work zone.

In accordance with the contract documents, the contractor, Provincial Construction Inc. is required to notify emergency services of their daily operations.

The work is scheduled to commence on **April 22<sup>nd</sup>, 2024** with completion expected by the end of November 2024, weather permitting.
