The property is zoned Residential R1E Density Zone in accordance with Zoning By-law No. 79-200. The application proposes to rezone the property to a site-specific Residential Low Density, Grouped Multiple Dwellings Zone (R4). The future severed lands are to be rezoned to a site-specific R1E zone.

The property is designated Residential, in accordance with the City of Niagara Falls Official Plan. The residential designation permits various residential uses and a maximum density ranging from 20-40 units per hectare for the proposed uses.
