

Notice of Construction

Calaguiro Estates
 Stormwater Management Facility Cleanout
 CONTRACT No. 2025-602-24

The City of Niagara Falls will be completing sediment removal, soils management, and site grading at the Calaguiro Estates stormwater management facility on Domenic Crescent.

Excavated materials will be hauled to a designated area on City property located at the north end of Dorchester Road, near the dead-end.

At times, it may be difficult to drive through the above locations due to construction in progress. In accordance with the contract documents, the contractor, T.A.A. Construction Inc. is required to notify emergency services of their daily operations.

The work is scheduled to commence on or about **April 28th, 2025** and will be continuous until completion, approximately late July 2025, weather permitting.
