

**Re: Temporary Road Closure - Drummond Road  
Road Occupancy Permit 2025-23**

The development located at 6888 Drummond Road will be constructing new services to the property requiring work to the water, sanitary and storm sewer on Drummond Road. Construction is scheduled for August 5-7, 2025.

This project will be carried out by **Peter's Excavating** and will require the *temporary* closure of Drummond Road (see below) and limited access to Atlee Street. The contractor will have detour signs posted for alternate route(s) around the construction site. Due to the scope of the work involved, driveway accessibility to businesses along the Drummond Road may be affected during construction but businesses are open.

Should you have any questions, please feel free to contact the undersigned.
