Proposed Amendment

A Zoning By-law Amendment application has been submitted to facilitate the development of 3 on-street townhouse units with frontage on Orchard Ave. Schedule 1 shows the details of the proposed development.

The subject lands are currently zoned Residential Low Density Grouped Multiple Dwelling (R4) zone. The application proposes to rezone the property to a site-specific R4 zone to permit on-street townhouses, a reduced lot area, lot frontage, rear yard depth, interior side yard depth, privacy yard depth, increased lot coverage and maximum height.

The subject lands are designated Residential and are located within the Dunn Street Intensification Corridor in accordance with the City of Niagara Falls Official Plan. The application conforms with the requirements of the Official Plan and as such, no Official Plan Amendment is required.
