

Niagara Falls Sports Wall of Fame Constitution

OBJECTIVE

To honour and perpetuate the names and deeds of those individuals and teams whose athletic abilities have brought fame to themselves and Niagara Falls, and of those individuals whose knowledge, interest in, and work for sport has resulted in a climate which benefited athletes and athletics.

CATEGORIES

Induction into the Niagara Falls Sports Wall of Fame is restricted to Niagara Falls athletes and builders of sport. Athletes, Teams, Builders and Sponsors must be nominated in order to be considered for induction.

a) Athletes - Open Category

Athletes to be considered for admission to the Sports Wall of Fame must have been outstanding in their athletic field of endeavour, or must have achieved better than average proficiency in a number of sports, even if not reaching the absolute top level in any one, in competition against peer athletes. This involves those competing on a strictly local level and those going on to district, provincial, national and international events, as well as those who enter professional sports.

Any athlete nominated to the Niagara Falls Sports Wall of Fame must have been retired from active participation in the sport(s) for which he/she is nominated for a period of not less than three years (dating from the end of the season of the sports(s) for which he/she has been nominated). An active athlete may be eligible for nomination if she/he has reached the age of fifty years. In the case of automatic nominees, these restrictions do not apply, as determined by the constitution.

b) Teams

"Teams" shall be eligible for recognition and shall be judged on merit and residency by the Committee. Recommendation shall be made by the Committee as per each nomination. A "team" for Wall of Fame purposes is defined as "any group of two or more athletes engaged in the same sport who work together as a unit in that sport". The team may be made up of members of the same sex or the sexes may be intermixed, providing the majority of the team were Niagara Falls residents and have reached the age of 14 years, at the time of their accomplishment. Any high school team must have won a minimum Ontario Federation of School Athletics Association (O.F.S.A.A.) championship to be

considered and the accomplishment must be of significance for the school. Significance is defined as having extreme importance for the school. A figure skating pair, tennis doubles, curling team, cross country running team, etc. are defined as teams for our purposes. A boxer and his manager do not constitute a team.

c) Builders

Builders are defined as officials (referees, umpires), individual sponsors, executive members, trainers, coaches, etc., whose work for sport over an extended period of time has been outstanding, whether it be in the organization of leagues and facilities, achieving a high degree of success in coaching teams and/or individuals, keeping a league or team active, providing services at a consistently high level over an extended period of time, etc. However, just because an individual has worked many years for a sport as a builder does not necessarily mean eligibility for the Sports Wall of Fame. His/her work over that period of time, or over most of it, must have been of a consistently high level with regard to services provided or results achieved.

d) Sponsors

The Sponsor Award is presented to a business, corporation or group in recognition of a minimum of five years significant contribution to sports in the City of Niagara Falls. Nominees are judged on merit by the committee with no automatic induction.

For purposes of the Niagara Falls Sports Wall of Fame, a Niagara Falls athlete shall be:

- a) Anyone born in Niagara Falls who spends his/her formative years here and continues to reside in the City.

Athletes and teams must be nominated to be considered.

VALIDATION:

- a) The Niagara Falls athlete, team or builder must have been a resident of this City at the time of his/her feat to be considered qualified for "Automatic Selection". An athlete who performs his/her feat while temporarily outside of Niagara Falls is

considered to still be a resident of Niagara Falls, providing his/her "home" residence is still this City.

- b) Provided the above and other restrictions are met, the Sports Wall of Fame Committee shall vote as to whether the credentials, research, etc., presented are factual proof of the feat. Approval must be made by at least 3/4 or 75% of the quorum of the Committee. If research is disputed and a 75% vote is not received, the same athlete/feat may be presented at a later meeting with more definitive information to support the nomination.
- c) If the nomination is for a deceased person, each case is to be decided by the Committee, on the merits of the person involved.
