

**City of Niagara Falls**

**Addendum # 1**

**Contract #2019-477-19**

**Clifton Hill Resurfacing**

This Addendum shall form an integral part of the contract document for the above noted project and shall be read in conjunction therewith. This Addendum shall, however, take precedence over all requirements of the previously issued contract documents, including plans, with which it may prove to be at variance, unless otherwise clarified by the Engineer.

This Addendum must be signed by the Tenderer in the appropriate space and must be attached to the Form of Tender for submission at the time of tendering. Tenders not including this Addendum, signed as required, may be rejected as informal.

**Item B39 GlasGrid 8511 – Pavement Reinforcement Mesh has been specified for this contract. For the tendering process contractors are to submit pricing using the GlasGrid 8511 only. Post tender the awarded contractor will have an opportunity to propose alternate products which must be equivalent to the GlasGrid 8511; cost saving comparisons will be reviewed prior to approval.**

Date: March 18, 2019

Joe D'Agostino, C.E.T.

Name  
Project Manager

The Tenderer shall take due notice of this change and make allowance to his/her unit prices.
