

City of Niagara Falls

Contract 2019-434-17

Sixth Avenue, Fifth Avenue, Fourth Avenue & Third Avenue  
Sewer Separation, Road Reconstruction & Watermain Replacement

**ADDENDUM # 2**

This Addendum shall form an integral part of the contract document for the above noted project and shall be read in conjunction therewith. This Addendum shall, however, take precedence over all requirements of the previously issued contract documents, including plans, with which it may prove to be at variance, unless otherwise clarified by the Engineer.

This Addendum must be signed by the Tenderer in the appropriate space and must be attached to the Form of Tender for submission at the time of tendering. **Tenders not including this Addendum, signed as required, may be rejected as informal.**

**ITEM I**

Form of Tender - Schedule of Quantities and Unit Rates, replace;

FT4-9

with

FT4-9 Rev. 1.

A copy of the revised Schedule of Quantities and Unit Rates page has been included with this Addendum on the City's website [www.niagarafalls.ca/bids](http://www.niagarafalls.ca/bids). Hard copies are available for pick up at the Engineering Department at City Hall. If you require further assistance please contact the Engineering Department at City Hall at 905-356-7521, extension 4211/4212.

Date Issued: April 18, 2019

Issued By: 

Livia McEachern, P.Eng.  
Project Manager, Municipal Works

The Tenderer shall take due notice of this change and make allowance to his/her unit prices.
