CONSTRUCTION OF NIAGARA FALLS CULTURAL HUB COMPLEX

This addendum shall form an integral part of the Request for Tender (RFT) documents for the above noted RFT and shall be read in conjunction therewith. This addendum shall, however, take precedence over all requirements as it pertains to the particular and specific items noted below.

This addendum must be signed by the Bidder in the appropriate space and must be attached to the Bidder's Tender submission at the stated time of the closing of the RFT or prior to this time. Tender submissions not including this addendum may be rejected.

PLEASE NOTE:

Due to Covid-19 the Tender Closing Date and submission format has been changed to Tuesday April 7, 2020 at 1:45pm. The City will not be accepting or answering anymore questions. The Tenders will be submitted electronically in a 2 envelope process. The instructions to submit the Tender electronically are as follows;

To submit your Bid Bond and Appendix B: Agreement to Bond Form please scan them together and save both in PDF format with the file name Envelope #1 and your Company Name (ex. Envelope #1 - ABC Company.pdf). To submit your Tender bid please scan and save all signed addendum pages, Appendix A - Contractor Form of Tender Rev#1 and Appendix C - Sub Contractor Form in PDF format with file name Envelope #2 and your company name (ex. Envelope #2 – ABC Company.pdf). To upload the Envelope # 1 and Envelope # 2 please go to the City Bid and Tenders site under the bid and go to the Extra Instructions section which will give you the link to upload both envelopes. Once you upload your files, you will not see them in the folder since it is a blind upload. Procurement Services will receive an email once your upload is complete. Please note that the upload link closes at 1:45pm sharp on Tuesday April 7, 2020. The time is based on the upload site time clock. Please ensure that you provide yourself plenty of time to upload the two envelopes as the City or the upload site will not be responsible for electronic tender submissions not received prior to the closing date and time.

Once the Tender closes the City will open up Envelope #1. If the requirements for Envelope #1 are met the City will proceed to open Envelope #2. If all requirements are met in Envelope #2 the price will be summarized on a Tender summary and posted to the City Bids and Tender site with unofficial results under the bid.
