

**City of Niagara Falls
Addendum # 2
Contract #2020-505-20
2020 Road Rehabilitation & Sidewalk Replacement**

This Addendum shall form an integral part of the contract document for the above noted project and shall be read in conjunction therewith. This Addendum shall, however, take precedence over all requirements of the previously issued contract documents, including plans, with which it may prove to be at variance, unless otherwise clarified by the Engineer.

This Addendum must be signed by the Tenderer in the appropriate space and must be attached to the Form of Tender for submission at the time of tendering. Tenders not including this Addendum, signed as required, may be rejected as informal.

Clarification of item B11 – The City of Niagara Falls Service Centre will accept millings from the following streets only: Appleford Ave, Fairway Rd, Abbey CL, Sauterne PL and Theresa St. It will be the contractor’s responsibility to dispose of the millings generated from the remaining five (5) streets.

Clarification of item B32 - Construction of Speed Cushion – each (in the schedule of quantities) refers to the # of locations on Woodbine St. As per the Appended drawing (TAC – figure 4.5 – Speed Cushion), there are 3 cushions to be included at each location in the unit rate. Pricing for this item is per location and NOT per cushion.

Date: March 13, 2020

Joe D’Agostino, C.E.T.

Name
Project Manager

The Tenderer shall take due notice of this change and make allowance to his/her unit prices.
