## **SCHEDULE OF DRAWINGS & SPECIFICATIONS**

### **1. CITY OF NIAGARA FALLS STANDARDS**

Contractors are advised that the **City of Niagara Falls Street Lighting Design and Construction Guidelines** shall be read in conjunction with this RFT. Electrical work shall be carried out in accordance with the requirements specified in the City of Niagara Falls Street Lighting Design and Construction Guidelines. All drawings, citations and established lighting criteria shall be followed and shall be considered as part of the terms of this RFT. The guidelines have been appended to this contract as **Appendix A**.

### **2. ONTARIO PROVINCIAL STANDARD DRAWINGS (OPSDs)**

Contractors are advised that the City of Niagara Falls has adopted the Ontario Provincial Standard Drawings (OPSDs) where no City of Niagara Falls Standard Drawings exists. Applicable OPSDs are referenced in the **City of Niagara Falls Street Lighting Design and Construction Guidelines**. The guidelines have been appended to this contract as **Appendix A**.

Copies of the relevant drawings **ARE NOT** included in this Contract; therefore, it is necessary for Contractors to obtain their own set of current Ontario Provincial Standard Drawings (OPSDs).

### **3. ONTARIO PROVINCIAL STANDARD SPECIFICATIONS (OPSSs)**

Contractors are advised that the City of Niagara Falls has adopted the Ontario Provincial Standard Specifications (OPSSs), where no City of Niagara Falls Specifications exists. Applicable OPSSs are referenced in the **City of Niagara Falls Street Lighting Design and Construction Guidelines**. The guidelines have been appended to this contract as **Appendix A**.

Copies of the relevant specifications **ARE NOT** included in this Contract; therefore, it is necessary for Contractors to obtain their own set of current Ontario Provincial Standard Specifications (OPSSs).
