Addendum # 2

Contract # 2020-520-20

Kalar and Brown Road Sidewalk & Road Widening

This Addendum shall form an integral part of the contract document for the above noted project and shall be read in conjunction therewith. This Addendum shall, however, take precedence over all requirements of the previously issued contract documents, including plans, with which it may prove to be at variance, unless otherwise clarified by the Engineer.

This Addendum must be signed by the Tenderer in the appropriate space and must be attached to the Form of Tender for submission at the time of tendering. **Tenders not including this Addendum, signed as required, may be rejected as informal.**

1. Special Provisions – Contract Items Supplementary, Item B2. Excavation is modified as follows:

The following paragraph is deleted in its entirety:

Roadway excavation shall be inclusive of all required excavation from property line to property line on all roadways and include any additional quantities, as shown on the contract drawings. Plotted cross-sections, where not included within the Issued for Tender drawing set, shall be available upon request.

And replaced with the following:

Roadway excavation shall be inclusive of all required excavation from property line to property line on all roadways and include any additional quantities, as shown on the contract drawings. Additional cross sections will not be provided, the typical cross sections provided with the tender are to be utilized.

Date Issued: November 9th, 2020

Zach Staples, P.Eng.
Project Manager

The Tenderer shall take due notice of this change and make allowance to his/her unit prices.
