QUESTIONS & ANSWERS

- Q1:** In the RFP it asks to specify the number of double niches in the columbarium, is this something you want specifically? If so, do you want them to count as one or two niches toward the preferred 200 niche amount per unit?
- A1:** **Yes, all niches should accommodate two (double) urns and each unit should contain approximately 200 double niches per wall and meet the minimum required dimensions as identified in the RFP. For Appendix C, 4. Price Form indicate the quantity and unit cost for each double niche.**

The Bidder shall take due notice of the above noted changes and make allowance for same in the Proposal to be submitted to the City of Niagara Falls.
